Post & Beam Cape

\$279,900

For More Information or to Set Up a Showing: 860 337-0330

2 / 3 Bedrooms

This lovely post and beam home features a vaulted ceiling, loft, an open floor plan with exposed beams, beautiful hardwood floors throughout and a farmers porch. The fireplace with a wood stove insert is the focal point of the home, centered on the gable end, surrounded by windows on either side and trapezoid above which mimic the 12/12 pitch of the roof.
